

October 9, 2024

To Johns Creek Planning & Zoning,

We would like to defer the November rezoning hearings of 9110 Brumbelow Rd, Johns Creek, GA, 30022 by one month due to the new 10 ft trail construction requirement added by the Public Works Department and our need to further understand the resultant implications on the lot.

We look forward to participating in the next Planning Commission and City Council public hearings on December 16, 2024, and January 6, 2025 respectively.

Regards,
Ishir Vasavada
Property Owner
9110 Brumbelow Road
Johns Creek, GA
