

CITY OF JOHNS CREEK COMPREHENSIVE PLAN 2017

Preserving residential neighborhoods and exceptional quality of life

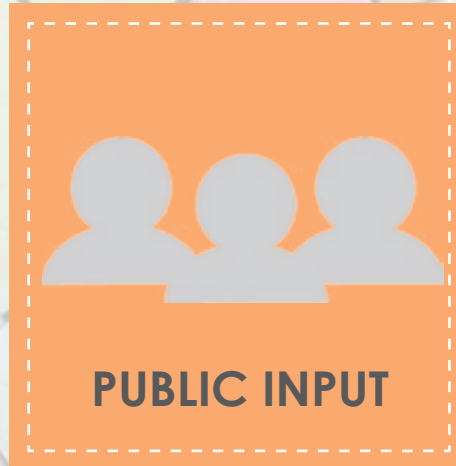

Expanding the City's economic base to retain & attract high-tech industries while protecting residential home values

Transportation planning that looks at a multi-modal approach to reduce congestion & encourage enhanced pedestrian mobility.

Provide superior recreational and cultural activities throughout the City.

Public process included a 25-person Citizen Advisory Committee (residents & Council members), as well as public planning workshops, planning meetings, and surveys.

The public is encouraged to provide input and feedback on the draft plan.

Visit ConnectJohnsCreek.com to view the draft version of the Comprehensive Plan and provide your input!
