

Revenue System Upgrade

The Revenue Division will be upgrading to EnerGov, a new & improved business management system.

To allow for a successful transition, the department will be **CLOSED to all business on Nov. 24, 29, and 30.**

Limited service payments for:

Business Occupation Tax, Alcoholic Beverage License, Massage and/or Spa Establishments & Pouring Permits will be accepted in form of credit card authorization forms, checks, cashier's check, or money order

but held for processing beginning Wednesday, Dec. 1

- Regular business will resume on Wednesday, Dec. 1

EnerGov will provide a new & improved system:

- Online application submission with 24/7 access to every aspect of the revenue process
- Application and permit tracking with an online dashboard
- Secure electronic payment
- Ability to upload/attach documents with your application submittals
- Clear instructions for documents / information needed for each permit application
