

Public Participation Meeting Notice

Application RZ-20-005 and VC-20-005-01 (5950 State Bridge Road)

Tuesday, April 28, 2020 at 7:00 p.m. via GoToMeeting

Due to COVID-19, the Applicant is conducting this meeting digitally as a matter of public health instead of the Public Participation meeting that would typically take place at City Hall. The Applicant has provided a link and a telephone number for you to join the meeting if you are interested in participating. The link will allow you to see the faces of all attendees and, will allow you to submit questions or share comments.

The Application is related to a bank to be developed as an out-parcel in the current Target parking lot near State Bridge Road and a parking variance.

Because we cannot meet in person, we need to create a structure for the meeting:

- a. Participants will be required to use an email address to sign into the meeting. On Wednesday, April 29th, meeting participants will receive an email asking for your address. This is necessary because we do not have the ability to have a sign in sheet at the meeting and need to track who participated based on the City's regulations.
- b. Participants will be muted upon entering the meeting to block background noise which can make it difficult for others to hear.
- c. Before the meeting you may email questions to jsellers@dillardsellers.com.
- d. Please email jsellers@dillardsellers.com if you would like time to speak about the development during the meeting. Please include your first and last name, your telephone number, and your address. When it is your turn to speak, your meeting access will be unmuted. Speaking order will be determined by when Ms. Sellers receives your email request.
- e. Participants will have up to 3 minutes to ask questions or make comments directly to the Applicant's representatives.
- f. If additional time remains at the end of the meeting, the Applicant may open the session for additional comments.

If you have any questions before or during the meeting, please email jsellers@dillardsellers.com.

The Application materials may be viewed on the City's website by going to Zoning, and clicking "View Zoning Cases" under the Related Links tab or the web address below:
