

Bell Road at Cauley Creek roundabout

Project Current Phase:

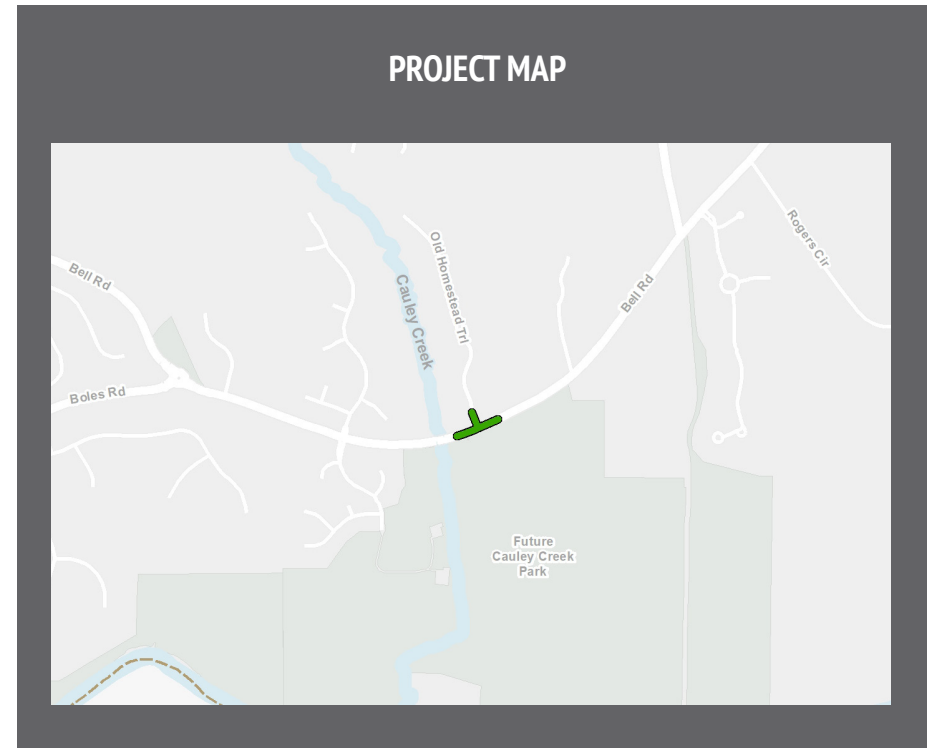

Where: Bell Road at Old Homestead Trail / Cauley Creek Park Entrance

Why: Safer and smoother travel; Access to Cauley Creek Park

Who: City of Johns Creek

When: Construction in 2020; Estimated duration is 9 months

Current Issues:

- Safety and traffic flow along roadway
- Entrance to upcoming Cauley Creek Park needed
- High vehicle speeds along roadway
- Lack of sidewalk inhibits pedestrian access and walkability of the area, especially to the future park

Proposed Solution:

- Installation of roundabout
 - Accommodates those entering and exiting the future Cauley Creek Park and adjacent neighborhood
- Addition of pedestrian facilities along Bell Road will promote connectivity in the area and to future park trails
- Project cost: \$1.1 million (estimated cost of construction)

Anticipated Results:

- Proactive improvement to avoid serious accidents and improve safety of the intersection
- Improves flow and operations for future traffic
