

Jones Bridge Road Improvements

State Bridge Road to Abbotts Bridge Road

PROJECT OVERVIEW

The project includes widening a 7,500-foot long stretch between Abbotts Bridge & State Bridge roads from two to four lanes.

PROJECT TIMELINE

Johns Creek City Council approved the project in 2014. Construction began in March 2015 and is scheduled to be completed by mid-April 2016.

KEY POINTS

- Addition of a center median
- 6-foot-wide sidewalk on the west side of Jones Bridge Rd
- 10-foot-wide trail on east side of Jones Bridge Rd
- Installation of new traffic signal at the entrance of the North Bridge shopping center.

PROJECT LOCATION
