Get the natural look of wood with unmatched durability.

With 11 varieties of style and color, the Wood Series is our largest and most popular product line. Built to last, our VintageWood,™ RoughSawn,™ RiftSawn™ and Natura panels offer the rich textures of wood while providing color stability and withstanding extreme weather elements.

VintageWood exudes modern refinement and works well in both modern and vintage designs. Available in five colors — Bark, Cedar, Redwood, Ash and Spruce — VintageWood pairs perfectly with glass, metal and block panels, adding a touch of warmth to the coolness of these materials. And because VintageWood can be installed vertically or horizontally, it offers a wide range of design options.
